Principal's Message

Welcome back, Eagle families!

It's hard to believe we have already completed our first month of school! The beginning of the year has been busy as students and staff have settled into routines, built relationships, and gotten back into the rhythm of learning. As we move into the next part of the school year, I'm excited to use this newsletter as a way to keep you connected to what is happening throughout our building, share important updates, and celebrate the great things our students and staff are doing. Thank you for your continued support and partnership. We are off to a great start, and I'm looking forward to all that this year has in store for our Eagles!

Important Upcoming Dates

Eagle Pride Spotlight: New Staff

This month's Staff Spotlight is Ms. Halaina Bond, our 5th grade teacher.

This is Ms. Bond's first year at Hale, and she shared that her favorite part of working with students is that they are funny, witty, and always enjoyable to be around. She hopes her students know that seeing them every day is the best part of her day.

Outside of school, Halaina enjoys being on the lake, fishing, watching football, reading, cooking, drinking coffee, and spending time with family.

We are so happy to have Halaina as part of our Hale Eagle family!

Classroom & Curriculum Highlights

Students began the year by completing the **i-Ready Diagnostic**. We encourage all students to **take their time and do their best**, as teachers use these results to better understand student strengths, identify areas for growth, and plan instruction and support to meet each student's needs.

Counseling / Student Support

Every school day counts! Regular attendance helps students stay connected, keep up with learning, and build strong routines for success. Missing even a few days can make it harder to keep pace. We appreciate families making attendance a priority and helping students arrive on time and ready to learn each day.

Upcoming Opportunities
